

# CAMPINHO VILLAGE

👤 917 📍 N 38° 21' 324" W 7° 26' 596" (dock)

This small and predominantly farming village of the municipality of Reguengos de Monsaraz has about 900 residents. The parish became separated from S. Marcos do Campo in 1990. Its patron saint is the Sacred Heart of Jesus, worshiped in a simple and modern church.

The chapel of Santo Amador lies about 3km away, on a hill with the same name.

It was built by farmer Francisco Balancho in the early years of the 18th century, who dedicated it to N. Sra. da Conceição.
