

# ESTRELA VILLAGE

 300  N 38° 15' 914" W 7° 23' 282" (dock)

Due to the rising water levels of the Alqueva dam, Estrela is now a riverside village. It has about 125 residents and belongs to the parish of Póvoa de S. Miguel, in the municipality of Moura.

Its past history is not as rich as that of other neighbouring villages. This is the reason why it boasts a vernacular architecture, dominated by its simple parish church. Its residents are simple and friendly people and its rich and varied gastronomy is one of its highlights.
